# GALLET DREYER & BERKEY, LLP

TEAMWORK MAKES THE DIFFERENCE

Gallet Dreyer & Berkey, LLP was founded in 1978 as a boutique real estate firm. Today, the firm spans 13 practice areas, including banking, construction, corporate, litigation, real estate, tax, trusts and estates, estate planning, white-collar criminal defense and more.

GD&B attorneys understand how businesses operate and offer practical, results-oriented legal advice and litigation strategy. The firm regularly handles multimillion-dollar deals and litigation, its clients own businesses and commercial and residential property worth billions of dollars, and the firm represents more than 200 cooperative and condominium boards.

Collaboration is the hallmark of the firm. The firm can quickly assemble a legal team with expertise in every area its clients need. Clients count on the value GD&B delivers—sophisticated, large-firm legal services at reasonable, small-firm rates. From the firm's superior legal services to the client's bottom line, teamwork makes the difference.

Four of our senior partners, noted above, were selected to 2015 New York Metro Super Lawyers. Two of our associates, Adam M. Felsenstein and Emily D. Anderson, were selected to 2015 New York Metro Rising Stars.
